Dear Mr. Haneke:

Enclosed is flyer listing all the books available today, all of which are obtainable from us. Most bookstores don't want to be bothered ordering one or two books, particularly from someone as small as are we. We have no wholesale distribution.

The 26 volumes of the Warren Commission have been out of print for years. The only suggestion I can make as to locating a set is to check the second-hand bookstores or possibly the out-of-print book-finders.

I will be happy to add your name to the mailing list I maintain.

From your letter, I know you have at least an academic interest in learning as much as possible about the JFK case. As a lawyer, are you interested in doing anything about it?

Sincerely,
